*Please note the time change for this meeting, and disregard the 1:00 p.m. start time in our previous notice.

As previously noticed, the Regional Board has scheduled a special board meeting for Tuesday, November 13, 2001, concerning the Halaco Engineering Company facility located at 6200 Perkins Road, Oxnard, CA 93033. The time and location for the hearing have changed. The hearing will now **commence at 11:00 a.m**. and will take place at the following address:

Renaissance Hotel
30100 Agoura Road (Players Room)
Agoura Hills, California

In addition, the format for the meeting has changed. The Regional Board staff and Halaco will provide a summary of recent activities related to the facility. Halaco will present an overview of a recent pilot test it conducted and of changes it will be making in facility operations as it attempts to shift to a dry waste stream at the facility. These changes may alter the provisions of the facility's waste discharge requirements.

Members of the public will be invited to provide comments concerning Halaco's presentation. Based on the events of the November 13, 2001 meeting, the Regional Board will hold an evidentiary hearing at a subsequent date and time.
